TAIEX

TWINNING

Demand-driven and results oriented

- **Quick and short** activities – requests for assistance from partners and beneficiaries
- **Centrally managed** and funded
- Managed in **DG NEAR headquarters**
- Can **trigger interest in further cooperation** with EU

- **Medium to long term** projects of grant nature
- Funded from **country allocations**
- Managed in the **EU Delegations/Office**
- Can **complement financial instruments**

Twinning principles

- Twinning is a **policy-driven instrument** supporting institutional cooperation between public administrations in EU Member States and partner countries.
- Projects built around **jointly agreed policy objectives** → **joint commitment** to achieve the mandatory results linked to EU acquis/EU standards
- It brings together **public sector expertise** in order to achieve concrete and operational results through peer-to-peer exchanges.
- The **beneficiary retains ownership of the project** (from conception to signature of the Grant Contract).
- The achievements are a **permanent asset** to the beneficiary
